“ *Dear Sharon,
I was shocked and saddened to hear of Bill's passing. I will always remember him as the person who mowed our lawn for us before we moved in next door. He didn't even know who we were, yet he showed us that act of kindness. I will also remember him sitting in his chair with Hank in his lap when we got together for our "practices" (fun get-togethers with music thrown in). He always had a kind word or a cheerful greeting. He will be missed in the neighborhood.*

“ *Dear Sharon,
Absolutely shocked and saddened by this news. We know your own faith and spirit will give you the peace and comfort needed at this devastating time. These few words do not adequately convey our sadness for you. You and Bill found happiness together; for this we must be grateful.
We uplift you in our prayers today and in the coming days.
Take care.
Love to you,
Bill and Janet*

“ I am so sorry to hear of Bill's passing. When I heard about this, I immediately thought no, not Bill, he was still so young and such a good guy. My sympathies to all of the family members on this loss. Bill got things done, he was an achiever and yet he did so with such ease. Even in stressful times, he seemed to keep that calm exterior. He was so outgoing and friendly yet in a laid back manner. Bill touched many and will be missed and that, by any standard, is a success story.

“ Sharon, I am so sorry for the pain you are going through right now. Your Bill was well loved, I see by all the folks who shared. Our ACIM group enjoyed swimming in Marsha's pool, long, long ago, and **SOMEONE** made us a lovely meal! I think that person was Bill!

Love to you, Sharon and your family.

“ I met Sharon many years ago when we both boarded our horses at Denesa's. A great friendship took place. Through out the years we shared our yearly garage sales, many outings, lunches and dinners with Chef Bill being in charge and recently our Sunday Music get together's. Bill always had great stories and if I didn't have the answer to something Bill was the one to ask. He always made me feel welcome in there home. He even had special names for me so Hank wouldn't bark when I came over. He was one of a kind and will be deeply missed.

“ I was there when Bill and Sharon met. Bill worked in our building and Sharon and I were in the travel agency. I got to know Bill and I knew Sharon and thought they would make a great couple. We started to come up with silly ways to get him to come to our department just so we could talk to him. Soon they were chatting up a storm and I think he started to find reasons to come to us! I saw their friendship grown into love. I was honored to be at their wedding. He was a wonderful and sweet man.

“ The times with Bill were always amazing and a joy. I had the honor to enjoy his delicious cooking and felt like a princess when he spoiled me with his food creations. Long deep conversations always followed the meal along with a nice Glas of wine.

I enjoyed this special man who touched people with his kindness , gentleness and his warm heart.

He gifted me with two of his cowboy hats which in the meantime made their way to Germany.

I always was wearing them with pride and joy and will honor them even more with these extraordinary memories.

Bill will be so missed , but always will live in our hearts❤️🕊️❤️

With loving memories 🌸
