“ *BT was a very nice man I had the priveledge of knowing. I was the customer service representative who handeled his commercial insurance for many years. After I left the insurance industry, he was always willing to help me with a plumbing issue at my home. I am so sorry I was unable to attend service for him. He touched many lives in a positive way including mine. He will be missed by many. Prayers to his loving family and thank you for sharing his plumbing services and kind words with me. He was not just a plumber but a very kind and decent man.*

“ *Bill Rutledge was a wonderful family man whose optimistic outlook on life never failed. He was a successful business man who was generous with all he had. Bill loved the outdoors, and he had many friends who enjoyed them with him. Bill loved people. A big man with a big personality, he will be badly missed by all who knew and loved him. Bill's life will continue after his physical passing in the hundreds of people he influenced while he was here. He was a blessing for everyone who knew him.*
