“ Nanny, I miss you so much! I never imagined my life without you in it. I guess that I thought you'd live forever. You have always been my rock and guiding light. Though my heart is breaking, I know that you are no longer in pain and for that I am grateful. You were such an amazing woman. You always had just the right words and the best advise. I sure am gonna miss your sweet face. Forever your #1. Until we meet again.

Xoxoxo love,
Tasha

“ I loved Billie all these years, she always called me her Sister. We were close my last card from her was for my birthday July 4th. She never forgot to send me beautiful cards. She was such a special lady. Everyone that knew her were touched by her laughter and was always so full of life.

I love you Billie and I for one will miss you terribly.
