“ *Sister Royal was full of fun, laughter and a love for God that nothing could come between. She loved her husband, Bro. Royal and Krista with all her heart and they adored her back.*

I became a Christian under Bro. Royal's ministry, those were the best days of my life. Bro. Royal and Sister Royal made church fun for all of we teens, we were such a close group of friends and that was made possible because of the Royal's ministry.

Sister Royal and Bro Royal always treated me as though i was part of their family and Krista was like my little sis. I loved her so much.

I have never found a church that i felt so loved and welcomed as i did under the Royal's ministry. They made everyone feel like the

Tabernacle was their home not just a church for sunday services but a home. I loved everything about Sister Royal and I'm grateful that i was lucky enough to have known her.

My prayers go out to u Bro Royal, Krista and ur husband. I know u r still hurting. My heart hurts for u. I absolutely adored all of u guys.

God Bless u Sister Royal, Rest in Peace.

“ Roy and I love sister Royal and she never forgot us either. Her and brother Royal came to Full Gospel Tabernacle as evangelist and then brother Royal became an associate pastor. When Rev. Andrew's passed away brother Royal became senior pastor. I was a child and soon to become a teenager. They encourage me with love scripture an example that influence my whole life. Pastor Royal married Roy and I and sister Royal stood in as a proxy for my husband's mother who couldn't be at our wedding because of distance. Brother and sister Royal was there for the dedication of our first child. There is so many fond memories. Sister Royal sang a solo and she would tell me I look at the clock on the back wall to calm myself 😊. She always knew I didn't like to stand up in public to speak this was to encourage me tha I needed to refocus. We are family It'll be a wonderful day when we take the hand of God who leads us home and I hear sister Royal loud welcoming voice her eyes Sparkling. Prayers to the family we love you dearly.

“ After spending Christmas 1970 with my missionary parents in Kenya for Christmas I found myself reunited with Nancy Harmon and the Victory Voices in early January 1971. I landed in LA to find that a mighty revival was happening in Bellflower. It just so happened that I had fallen in love with Joel Vann who was also a member of the Victory Voices. Bro. & Sis. Royal hosted this revival and I can still hear Bro. Royal preaching on Sunday mornings with anointing and power. Sis Royal had a special twinkle as she watched Joel & me. She knew we were love-struck. It was in Bellflower that we announced our engagement and that wonderful church body surrounded us with so much love we hardly knew how to handle all the blessings they poured out on us. Joel and I had a few dollars but we announced our plans to get married and go to Africa as missionaries. It was in Bellflower, with the encouragement of the Royal family that God took two very young and inexperienced people and sent them to Kenya 8 months after we married. That was almost 49 years ago and today God is still honoring our response to his call. African Moons is dedicated to empowering the people of Tanzania to reach their country & beyond with the Good News that Jesus saves. Sis. Royal championed us from the moment we became friends and encouraged us to follow God's call until she took her last breath This lady is now resting safely in the arms of the One she has longed to see. We will miss her and the encouragement she invested in our lives but for those of us who know Jesus, we can truly say.....it won't be long until we will be together forever & THE BEST IS YET TO COME! With all our love and prayers. Joel & Sally (Bruton) Vann www.africanmoons.org
