“ *Dear Wayne & Amanda, I feel like I know both of you from hearing my sister (Joyce Wilkins) speak of you so often. I saw Billie's obituary in the Spartanburg Herald and I felt so strongly that I needed to contact you, not only for myself but on Joyce & Robert's behalf. They both loved her so much. Robert, as you may know, is now in assisted living. I felt when I read her obituary yesterday that I was losing Joyce all over again. Please know that my thoughts and prayers are with you at this difficult time, but from all I have heard about Billie I know that you have many, many wonderful memories to carry you through. Sincere condolences.##imported-begin##Brenda Brackett Greenway##imported-end##*

“ Amanda, I am so sorry to hear of Billie's death. She was a wonderful person and a dear friend. Although we did not get to see each other often after the family moved from Rock Hill, I looked forward to her visits. She and Wayne were the best neighbors anyone could have. My prayers are with you and Wayne as you face the days ahead. Having lost my precious John just five months ago, I know how your heart is breaking. I love you.

“ I had the privilege of knowing Billie while I helped to take care of her husband Robert at Medical Arts. She was the only family member who kept in touch with me after I left the Administrator position there. She is missed already. Her kind, gentle spirit was a wonderful addition to my life and I miss her already.##imported-begin##Fred Youngman##imported-end##

“ Wayne, Amanda & Jeff

We are so sorry about Billie. She was such a good friend to my brother Robert (and Joyce before her passing) and we all felt like you were family. Then along came Buddy into our family and we had another tie to your family! I enjoyed visiting and renewing friendship with her when Gayle passed away. Now Billie, Gayle and Joyce are all together again and having a wonderful time up in Heaven. We love you and please let us know if we can help you in any way. Praying for all of you.##imported-begin##Florence & Ken Walker##imported-end##

“ Amanda

I can not tell you how sorry I am to hear about Billie. She was such a sweet person. We always considered her one of the boys grandmothers. SHE was so good to them. We are praying for you and love you. Please call anytime you need anything. And as MaryAnn said.... I will never forget those times we dragged her out of the house for those shopping sprees. One time I had locked my keys in my car after shopping till midnight. I thought your mom was going to hit me, but instead we laughed.

“ Amanda, Your mom was one of a kind and I feel blessed that she was my dear friend. I always enjoyed the times that She myself and Letha would do a night on the town. She really enjoyed those times and so did I. She was so good to Kemmer during her elementary years at both Dacula and Freeman's Mill elementary. You were blessed, as were we all.
