“ It is a true blessing to know someone as kind, as compassionate, and as clever as Billy. Always concerned for others, Billy made everyone feel special and genuinely took a personal interest in everyone. His calm demeanor, even in instances of high stress, was reassuring; his quick wit and sense of humor--delivered in his low voice with a chuckle--always brought levity and cheer. All family members repeatedly thanked me for attending the Visitation today, but I say THANK YOU for the wonderful man all of you influenced and guided. Billy had a positive impact in all endeavors and on all people...his big heart was his gift to us all.##imported-begin##Barbara Hahn##imported-end##
