“ I really got to know Billy when you two bought your house. Jessica, I love you and I am here if you need anything and I told your Mom the same thing. You are a stong lady and you have two children who will keep you going. You still have a part of Billy in them and you will make him proud. Just tell Billy you will "see him later" , because you will Jessica. Just keep God in your life and He will get you through these hard days ahead of you.
