“ I've known Billy since I was a little girl. Billy worked with my dad in the cabinet business until he retired. I started working in the office as soon as I graduated high school. That's where I got to know Billy and his beautiful wife JoAnn and daughter Katrina. I loved Billy like a Father. Billy would joke around and call me his other daughter. He was always giving me Fatherly advice. I'm sorry that I didn't stay in better touch with him throughout the past few years. Just this Christmas, I remember saying to myself "I need to call Billy" I'm so sad that I didn't. I'm sad that I didn't get to talk to him just one more time.

I remember how much he loved riding motorcycles. He rode for fun and he also rode for the police departments leading funeral processions. When my oldest son passed away 11 years ago, I ask Billy to lead his funeral procession. I wouldn't want anyone else leading us but Billy. He was a great man with a heart of gold. My family and I spent many days and weeks at their place in Panama City Beach. When my children were young, we went all the time. It was like our second home. I know how much they loved going there as well. Billy always lived life to the fullest, and enjoyed every day. You will be greatly missed by all. I love you and I'll miss you.

To JoAnn.....What an amazing marriage you've had filled with love and all the wonderful memories you have. To Katrina.....you are his pride and joy and he loved you so much and talked about you with such pride.
