“ Uncle Billy was a wonderful man. He and my father worked together at Peachtree Doors for years until they retired.

Uncle Billy walked me down the aisle with my father's blessing. I couldn't have had anyone better to step into my father's shoes that day.

Uncle Billy was always joking and laughing; in a great mood every time I saw him. He is a very special Uncle and a special person in my life.

You will be missed. Love You. Beverly Benfield

“ Billy was a wonderful BROTHER. We had a simple childhood. His enjoyment was swinging and whistling everyday until very late at night..He did not care much for school; I had to chase him almost everyday through cow pasture to get him on school bus. My latest memory with him was our nightly phone talks during Braves games; sometimes at late as 11 pm. This was our way of being together; since neither could drive. Loving sister, Betty Graham.

“ Uncle Billy, Aunt Betty and me went to Pidgeon Forge several years ago for a few days! Uncle Billy and me rode the go karts this was before my knee surgeries and I told the guys they might have to help me out but they ended up helping Uncle Billy and we were all laughing so hard it took several minutes to get him out! He drove his new truck up there and he played Conway Twitty's song "Lying here with Linda on my mind" several times! I said do we have to listen to it you've played it atleast 10 times he just laughed and played it again!! This is the way I will remember him laughing and joking around! Love you Uncle Billy your favorite niece Linda! 🥰
