“ *I am in shock. I wish I had known. This was the sweetest, kindest most amazing man. Mr. Billy and Rose were my neighbors in Loganville when they had the flower shop. I love them both so much. They both made a definite impact on mine and my daughter's lives. This old world will truly miss him. WBGM*

“ My heart is broken at the news of Billy's death. Billy did indeed love people and I believe he did me and I know I did him. Prayers for all the family during this time. My first thought on hearing this news was "another good man gone home". Rest in peace my friend. God bless the family.###imported-begin##Debra Bryant ###imported-end##

“ To the entire family, all of whom are our "adopted family" our hearts are broken. We can see Billy in heaven right now, strong and well, singing with his heavenly father along with all those gone on before him. Please feel the arms of the Lord around you feeling your sadness and knowing your pain. We all know he is in a better place and we can only strive to be able to join him someday. We love each of you and will miss Billy with all our heart.##imported-begin##Don & Willene Wheeler##imported-end##
