“ *We were so sorry to learn of Billy's passing. Ruth and I extend our deepest sympathy to Betty and the family. We regret very much that we are unable to be with you at this time.*

*I will never forget the last time that Billy and I fished together -- It was very special to see him enjoy pulling in those catfish in the pond at Terrell's. Memories are very precious -- And we hold on to them forever.*

*With our love and condolences,*
