I would like to offer my deepest sympathy to my former co-worker, Bneikia Ward's family. She was a smart, kind hearted person that exhibited great love for her children and husband. It's very disheartening to know that she has gone to glory at such a young age. May the prayers and support of friends and loved ones provide comfort to you during this very difficult time. The light she gave this world will truly be missed.

“ My deepest sympathy to the family. I worked with her at the IRS and had the pleasure of continuing the relationship beyond work doors as we would meet up to enjoy the company of friends dining out in ATL. There are 2 types of people at work, those you dread seeing everyday and those that make the work day bearable. She was definitely in the ladder group. Her smile, her positive perspective and point of view, not to mention her emotional intelligence and practical honest approach makes me proud that a co worker became a friend. As we were just making plans to go out quarterly instead of randomly, definitely gone to soon is the sentiment. I pray the family will have the courage and strength to honor her by living their lives out loud and find the joy in every moment.

It's very disheartening to learn of Bneikia's passing. My heart and deepest sympathy go out to her family and love ones. As a former co-worker, I have fond memories of her sharing funny stories about her kids at our lunch table and of her falling asleep in our boring training session, yet somehow answering questions better than anyone else in the class. She was smart and clearly a devoted wife and mother to her family. Being somewhat of a quiet nature, she always brought pleasantness and a spirit of gentle kindness to everyone. I pray that her family finds peace and comfort during this very difficult time. May God be with you.

“ *Bneikia Ward is phenomenal woman. She is a proud and beloved wife, mother, daughter, sister, aunt and best friends among many other wonderful things. When I first moved to Georgia Bneikia such a light and guiding hand in a very uneasy transition to a new state. She saw all the struggles I encountered on the job, and she would offer compassion, advice and a laugh. Bneikia Ward is not only love by her family and friends, but she was valued by all at as at work. Any task given to her in all departments she accomplished it with excellence and accuracy. Moreover, she was a team player, everyone knew that you could go to her for technical support and she would gladly provide that necessary support. Mrs. Ward again was treasured by all and the stories she shared about her family whom she was immensely proud of will be missed. I will miss Bneikia Ward dearly, she was my best friend and my sister. She laughed with me, listened to me, taught me so many cool things about life and helped me to advocate for myself against injustices in the workplace and in the world. A day will not go by where I don't think of her. She was truly a shining star on the hill.*

“ *Bneikia was a wonderful person inside and out and a great friend. She always laughed at our craziness and excepted our craziness. We would say stupid stuff and pull her in and all would be bent over laughing and crying. She will be truly missed. Our love, hearts and prayers are with you all. Accept our deepest condolences.*
