“ Vanda, I am so sorry to hear about Bob's passing. None of us at his old AT&T office knew about it or we would have been to the viewing on Sat. At the AT&T office I was surrounded by Bob's....Bob Rudoff, Bob Gibson, and, Bob Clifford. Here a Bob, there a Bob, everywhere a Bob-Bob is what I used to say....We really did have a good group of techs....Bob used to tell me that I was 'all cackle and no eggs'...I told him he was 'all rooster and NO crow!'....He was a good guy to work with and would help anyone he could. Again, I am so sorry to hear about his passing....Please accept my condolences.....Carole Murdock##imported-begin##Carole Murdock##imported-end##

“ Vanda and family,
I never met you all, but Bob talked often about you. He was a wonderful man He and I bonded closely in our relationship working on the road. I just talked to him last Friday as I was heading home from a project, he sounded good and was praising his son and daughter in law for taking such good care of him. i thought he was on the road to recovery. May god bless you and your family and Bob is in a better place now###imported-begin###Dave Mueller###imported-end###

“ Vanda, we were shocked to hear of Bob's passing and you are in our prayers. We bonded with the two of you when we met in Atlanta on that loonnggg snowy weekend so many years ago and you became our best friends. I'm so sorry that we will be unable to attend the service as we are with Scott. Give our love to the boys.

All our love Bob and Barb###imported-begin###Bob & Barb Rudoff###imported-end###

“ Bob was such a fun guy to be around at work. We recently had a trip to Little Rock, AR with work, and the whole time he teased and harassed me about my young age, and inexperience. I of course harassed him right back about being old, and even asked him if they had dirt around when he was a kid. He was a good man, that's for sure, and a lot of fun to be around! He will be missed.###imported-begin###Matthew Valentz###imported-end###

“ I am so sorry for your loss. The loss of a Loved one is so heartbreaking. Many wonder why and if it will ever end. Isaiah 33:24, and 25:8, tell us that the God of love will soon bring an end to sickness and death. Jesus while here on earth, spoke about the resurrection hope. That means that we will have the opportunity to see our loved ones again. Psalms 37:10,11,29, and 72:7,8, tell us about the wonderful conditions that we will be surrounded by. Isaiah 55:11 tells us that we can have assurance in these words. Because whatever promise Our loving God wil make, it is as good as being done already.
