“ *Bob and I shared an office at JDR. He was a never stop, go getter and a brilliant mind. He helped me in so many ways. We laughed, brainstormed and pondered. The office space is not the same without you. Rest peacefully my friend.*

“ I worked with Bob for many years as an MRO supplier for his safety department. I'll always remember Bob as diligent, always willing to work with me when things didn't go as planned, and a super nice guy who really cared about the safety of his fellow employees. My heartfelt sympathies go out to his friends and family. I will truly miss him.
