RIP Bobbie, you will be missed by many, but oh such memories you left behind. Heaven gained a beautiful sweet angel, and I bet your mom and dad were waiting at the gates when you walked through. I will remember your family in my prayers and asking God to comfort them. Fly high now, and enjoy those wings because you certainly earned them. I hear that all the angels in heaven are beautiful and perfect in every way so hopefully you won't about anybody having a bad hair day (lol) I will see you once again when I arrive in paradise.

I have had the privilege of being "exposed" to Bobbie Anglin from my Grayson, GA upbringing to my current age - not every year, just here and there, mostly through church meetings and every now and then just simply running into her as she was going about her life.

I have not seen her in a few years. So, you can imagine I was "shocked" to hear of her graduation from life into eternity. May I share this? She still had an influence on me: her warm smile, her sense of humor, and her concern for everyone.

Around here, she will be missed by more people than her family may every know. What I do know is she is home now and one day I will see her again. Until I do, I wonder, "Does she own a hair salon spa in heaven?" See yah, "Girl"!

Your sister in Christ,

Pamela

“ *Bobbie was one of the most beautiful people I know. Her beauty was not only on the outside, but deep in her soul. She spent her life making people look their best and more important feel their best. She has been a forever friend of my mom and my family. In fact she was more family than a friend. Her passing still leaves most of us stunned..... That it can't be true. Bobbie was an Angel on Earth and now she is an Angel in heaven. She will always be with us in our hearts and great memories. May she rest in Peace. Special Prayers for her family as they daily deal with her passing.*

“ We were sorry to hear of Bobbie's death. Our family was so grateful to have Bobbie and the Anglins as some of our first friends when we moved to Grayson and I started attending South Gwinnett High School.

Thank God for the Good News! "Jesus said unto her, 'I am the resurrection, and the life. He that believes in Me, though he were dead, yet shall he live. And whosoever lives and believes in Me shall never die.'" (John 11:25,26)

May the LORD comfort your hearts during this time of loss!

Sincerely in Christ,

“ To David and the family, my prayers are with you in this difficult time. I enjoyed singing with Bobbie in the choir at First Baptist of Grayson many years ago. We also had fun doing the Hee Haw musicals. She was a cutie and lots of fun. We did Dolly Parton proud. Jackie was in youth with my kids. Sometime later Larry and I had burgers at Fuddruckers and saw her and David there. Lots of fun memories. May you all find peace and comfort in your own memories of her. Blessings, Linda Britt, Cleveland, GA formerly of Grayson.

“ Bobbie was more than a hairdresser, her sweet caring way with each of her friends (clients) and the way she made them feel when they left her chair was truly a gift. She sprinkled her love in every hair style and each person felt the love she gave. More like a daughter to me ❤️ God comfort Jackie and family as they mourn her passing and face each day with a sweet peace knowing how much she truly loved them all. The world was a better place because she was in it ❤️

“ Dear Family,
Bobbie took care of my sweet mother, Lura Wilson, and my sister-in-law, Bobbie Johnson for almost 50 years. She was more than a hair stylist, she was a dear FRIEND. I looked forward every week to enjoy my time in the Mountain Park salon while she so lovingly prepared my mother's hair.

We will all miss her kindness and sweet heart, deeply. We are praying for God's comfort to all of you, dear family. She will always be precious in our hearts.

“ *So sorry for your loss. My prayers and love to all of you. She was my friend through 12 years of school. Our friendship was so full of laughter and love. We never quite managed to ride each other on a bike—it always ended in a crash and not much skin left on our knees, elbows and faces but we never quit trying! My heart is going to miss her beautiful smile and her unending energy. I have so many good memories of our crazy childhood mischief. Love all of you and will be praying for you. God bless and keep you today and in the days ahead. Dianne Shelton Wilson*
