“ *There are few people whom one associates exclusively with the happiest moments of childhood, but Bobby Brogdon and his dear family are that for me. I will forever be grateful for the wonderful memories I have with Bobby, Jean, Philip, and Marcie, and my heart goes out to all of you and during this time. I will always remember Bobby for his impeccable sense of humor and as a man of integrity, and my life is considerably more full having known him.*

“ *Ms. Brogdon, Philip, Marcie and family, my deepest condolences.*

I've been thinking of him today and smiling at the memories. He had a wonderful sense of humor, a love of family, and a gift for making ordinary moments memorable. I have such fond memories of the summer vacations we shared all those years ago, including his quest for the perfect shrimp like he experienced at The Buccaneer!

I'm blessed to have known him and will remember him with great fondness. You're all in my prayers.

“ *Bobby was one of my father's best friends. We vacationed with the Brogdens many times. I started at Foote & Davies in 1978, and Bobby was my forman for many years. He was quick to tell me that his friendship with my dad would bring me NO special treatment. In fact, it always felt the opposite, but truthfully, he was the most fair man I think I ever met. He expected everyone to do the job you were being paid for. Many were better because of Bobby's high expectations. I know I am. Prayers for his family.*

“ I started working at Foote & Davies in 1977 in the mailing department. A year later I started working in the web department on the large printing presses there. My foreman was Mr. Bobby Brogdon. He was a “man’s man” in every sense of the word. In the years to come I grew to admire him on many different levels. He could be tough as nails when needed. He was also one of the most caring and thoughtful men I ever knew. I once told him I wished he had been my dad. The world has lost a great man, a loving husband, dad & grand dad. I have lost a friend & mentor. Robert Hice Jr.
