“ rhetta,
i regret i will not be attending today's service for cousin bobby. i had planned and hoped to attend, had studied the route on a map, and had gotten my red shirt and cap ready. but a code alert in my car on the way to church sunday and realizing the need to go though atlanta at its worse, coming and going, made it too difficult for me to make the trip today. bobby was such a wonderful and joyful person, every time i saw him, from when he was a small boy attending school at cave spring, to losing in the birmingham bowling tournament to various events later on. i know you and your family are heart-broken, as we all are, and i hope your faith keeps you strong with the promise that one day we will see him again. with love and sympathy, ray.

“ I'm struggling with technology. We don't do social media, so I guess the two posts I made earlier didn't take. Uncle Bobby, Uncle Frank, and I grew up together. They were the brothers I never had. Even though we physically grew apart, I will cherish the memories, and send prayers for Aunt Rhetta and family. Still remember when they visited...it was hot! So from Texas, rest in peace Uncle Bob. We love you and will miss talking Spurs and Hawks. Kathleen and Travis, Schertz TX

“ It is so unreal to think that my Uncle Bobby is gone. He was more like a big brother growing up than an Uncle. So loving and such fun to be around! So many great memories from being in he and Becky’s wedding at 13 years old to All the fun trips to ATL and Stone Mountain with him and Rhetta and Daniella and Marissa. And all the fun times in South GA at our house, grandma’s and Mama and Dee’s at reunions, Mule Day, Syrup making and holiday gatherings. We loved him and will miss him so much. It will never be the same without him. He was truly one of a kind. I know grandma, grandpa, Daniella and the rest of the family in heaven are rejoicing to have him back with them!
