“ I had the pleasure of knowing Mr. Pitts for several years. He was a wonderful man and always made me smile. We had so much fun when he came in for his visits. We loved to joke at each other. His friends at the Cardiovascular Group will miss him very much. I will never forget you. Cheryl Crowe###imported-begin###Cheryl Crowe###imported-end##

“ We lived next door to Bobby and Myre for a few years before I retired. There was on thing I could count on as soon as I got home, Bobby was there to greet me rain or shine. I really looked forward to getting home. Some of the things I will always remember was sitting around the table outside and just talking and enjoying what was left of the day. Seems like Bobby always had something for us to work on. I didn't know what I was doing but he sure did. Some of the best memories will be when we would sit around the chimnea in late fall or winter telling lies and laughing out loud at each other. I have told my wife there will never be an Oprah joke told in this house, that was something between me and Bobby. One of the greatest persons I have ever known and he loved to laugh, I think that is what I will miss the most. Farewell my friend.
