“ Every bit of my up bringing has a memory with uncle Bobby, aunt Donna and most would say cousin Kelly but we were more like sisters. Anyone who knew Bobby knows there are so many things you can say about him. He was always about loving and supporting his family the best he ever could, he was not only his own person, but also a unique person. I can still remember the trip's we took to Disney World and Six Flags as a big family. The times I cherish the most and even more now is when I was little he made me my own little wood chair that he even carved my name in and the times he tried teaching me how to play guitar. That wooded chair meant so much because he took the time to build it himself. Learning the guitar means so much because lord knows he had to have a lot of patience for that one. When it came to his family I don't remember any family gatherings that he wasn't there with his family all heart into it and for his daughter Kelly he supported every decision that I know of and helped any way he could, but always know if he felt any way about anything he would at least let you know his opinion, but that was it. The most recent would be about 2 or 3 years ago when I was homeless there wasn't a time he wouldn't come by with great homegrown tomatoes or just to check on me as he was leaving I bet his everyday meeting McDonald's. My heart and prayers go out to his family. Bobby maybe gone but he touched enough heart's in his time here on earth that his spirit will forever live on. Best believe I know he is in heaven but he is still watching over his family. I love you uncle Bobby and always know we are going to miss you here on earth. We are all blessed that you touched so many hearts in so many different ways. 🙏😭😞

PS

“ I am so sorry to hear of the passing of Bobby. He was one of the kindest most thoughtful men you could ever meet. He always had a smile on his face when he came by our work to visit Scott & Kim. He always brought everybody some sort of little gift and would always put a smile on our face. He definitely by far grew the best tomatoes ever. We sure are going to miss seeing him around. He never had a rude word to say about anybody. He was just an all around good man. My thoughts and prayers go out to all the family. May God give you peace and comfort during this sad time.
