“ *I usually come to Dave & Buster's on Wednesdays in search for Garfield plush toys. Bobby would always help me obtain all the Garfield we can find. I was extremely sadden to know that such a caring young person was gone when I asked his coworker where he was and he told me on Wednesday (June 8th) "We lost him" Now I wish I would've had much more conversations with them than I did before...I never want to swim in Lake Lanier ever again.. :(*

“ Robert was a treasured friend and employee of Taylor Made Gift Baskets during his High School days. Nancy Teas and I have many funny memories of some of the fun crazy things we did and Robert would always jump in with his quiet sense of humor and make us all laugh. A hard working young man that loved his Mother and family. The world will miss him and we are blessed that he walked among us. We are so sad and send our love to the entire family and love especially to the new angel in heaven. Our love and blessings to the family.
