“ *I just read about Bobby's passing today. Bobby and my dad, Carroll Knight, we're friends for many many years. I have known Bobby so long and depended on his advice for so many car related questions. Bobby and I also shared our tomato plant questions. My heart goes out to all of you. I admired Bobby and cried my tears from losing a good friend. May God wrap his arms around you and know that Bobby and my dad are in heaven laughing and having fun.*

“ I've known Bobby since I was about 4 years old. He and my dad were very good friends. They would tinker on old cars my dad would buy (despite the fit my mother would have lol). We all went fishing together and sometimes we would go out on another friend's house boat and spend the day. Bobby was a good man and he was good to me and my family. You will be greatly missed. You're with God now so, rest in peace Bobby.

“ *To the family of Bobby Terrell...I remember him fondly as he sold me my very first car!! It was a brand new baby blue 1980 Camaro! Then later I traded it in for a Chevet and later a Cavalier always trading with Mr Terrell! He was a good man and my dad and I trusted him implicitly!! My thoughts and prayers go out to his family and loved ones.*
