“ *I'm so sorry to learn of sweet Bonnie's death. We were great friends way back in high school at South Gwinnett and had lots of fun. This photo is from my '75 yearbook, and it makes me happy to remember her as a young girl. So long Bonnie 💔*

“ Thank you, Miss Bonnie, for always being so kind to my kids when they came to my parents’ house next door. They always wanted to run over and see you and say hello. You were always so gracious with Christmas gifts and we are so grateful for your thoughtfulness. You will be missed.

“ Still hard to believe she's gone. I never met a more caring and giving person than Bonnie. We shared a lot of good laughs with her. Dennis and I are gonna miss our dear friend and neighbor. We loved her so much.
