“ Ms. Bonnie was one of the sweetest most amazing people our family has ever known. She always new how to turn our frowns upside down and always had an open door for us. Ms. Bonnie always told us she wished there was something she could give us but what she didn't know is that the love she shared with us was imeasureable and was the greatest gift of all! She loved having our company watching the Braves in her living room and loved the children to play outside where she could see them. Our favorite memory with Ms.Bonnie is probably the day we brought Lily home from the hospital but Instead of going home we took her to Ms. Bonnie's and told her we had given Lily the middle name Grace in honor her. She had a special bond with William and her house was one of his favorite places to be. They would talk for hours and she would share special memories with him of our family including her friend and his Great Great Grandmother Granny Dutton whom he never got to meet but knows her through Ms.Bonnie. There is a special place in our hearts and lives no one will ever fill. She was truly one of the greastest blessings the Lord has ever given our family. Our hearts are sad but we know Heaven is a better place today because of one extraordinary angel!
We love you Ms.Bonnie and will miss you always!

We have always loved Bonnie. She is one special lady. Humble, kind, caring, loving and full of wisdom. Richard and I were talking and we agreed that we had never seen her loose her temper or speak about someone in an unkind way. She loved us (especially Richard) and we loved her back. She always gave us sound godly wisdom and role modeled what a life full of Faith in the Lord looked like. She will be missed, but she will never be forgotten. Prayers to all her family.
