“ *I didn't know Bonnie very well as I've only been with Delta Apparel since February. During that short time, she was always pleasant and had a smile on her face. When I saw her in the office a few weeks ago, I thought if anyone was going to beat this it was her. I am so sorry for your loss. May you take comfort in knowing an angel is watching over you. My thoughts and prayers are with you and your family Charlene Whitney.##imported-begin##Charlene Whitney##imported-end##*

“ My deepest sympathy to the family on your loss. Bonnie and I joined Yancey Bros. Co. the same year. She was always a bundle of energy and joy and kindness to everyone and God certainly gave her many talents with her sewing. I would pray that fond memories would be a source of comfort to the family during this time. Like the light of a distant star that continues to reach the earth long after it is gone, in the same way the light and love that Bonnie gave to so many will continue to shine in many hearts. Praying that God will comfort you and in time bring healing to your heart. In sympathy and friendship, Susan Campbell-Popwell###imported-begin##Susan Campbell-Popwell###imported-end##

“ Bonnie,
You were and always will be a bright spirit. You were so full of life and I looked forward to seeing you at your desk. Everytime I would see you regardless of what type of day you were having you would always say " Happy Monday ". When you came back to the office a few weeks back you were so full of energy and life. That day I saw you I gave you 3 hugs because I missed seeing you. I miss you Bonnie and I will remember your smile and the way you were. We were blessed to have someone like you enter our lives and show us no matter what you are going thru. Always smile and you can make the world a little brighter. Miss you
