“ *This morning, I picked up the newspaper at work and noticed that Boyd has passed away. I send my love and prayers to his family. I was only in his life for a short time while married to his brother's daughter, but I can remember how much fun he was to be around. Our paths crossed when his brother's wife, Olive Gilley, passed, but only for a moment. He was a very gentle person and will always be remembered for his humor.
