“ *To the Boozer family, I know we may not have ever met or been blessed to know y'all's precious son Braden! Yet after receiving a notification via email and seeing his name on there, I knew it had to be the little Braden our small group has been praying for and following His journey. Linda from our group, has definitely kept us informed and in the loop, sharing post and I just want y'all to know we covered him and your family inb our prayers throughout these weeks.*

*It's so comforting to know, y'all have the hope the peace and rest that only our Heavenly Daddy can give as you are walking through this season now & in the days head of you! Such a blessing in following y'all's hope for that day to reunite with Braden. Continued thoughts and prayers!
In Christ*
