“ *My memories started 32-1/2 years ago when I started dating Dennis. Although older than me, she took me under her wing and friends we became. I remember Sunday morning trips to the flea market at 85 Drive-In and then Sunday dinner at Richard and Nell's (and good food it was!). Family get togethers with the Boyd aunts, uncles and cousins as well as Blanton family reunions in Alabama were a tradition. I remember Brenda and Chip staying at the hospital for 24 hours straight while waiting for Brittany to arrive. I remember our fishing trips to Jackson lake, dinners at Muddie's house, and Christmas parties. Brenda was always there to listen when I needed an ear and offered support as needed. She was there to hug me when my dad and grandmother died. She was a dear friend to my mom during her time of grief after my dad's death. Through good times and bad, she never faltered and was the backbone for her family. She loved Chip beyond words. She loved and cherished Rick like no other. His happiness was her main objective. I will miss my friend more than words can describe. Rest in peace Brenda. I know we will see each other again. Love you wonderful lady.*

“ I will miss you my dear friend. When Buddy died it was you and Chip that came up and got me out of the house and kept me busy so I didn't look at four walls and think all of the time. We had a great time over the years and I will miss those times. Just know you were loved.
