Brenda was a very special lady. She was my brother Bobby's mother-in-law, but she treated him not like a son-in-law, but like a son.

If I had to pick only one or two words to describe Brenda, those words would be "Love" and "Dedicated". It was very apparent that Brenda loved her husband, daughters, and grandchildren and other family and friends with all her heart. And to those same people, she was very dedicated; Dedicated to showing those people her love and giving help to anyone who needed it. I hope everyone who knew and loved Brenda will choose to celebrate her life with good memories, joy, and happiness, because I feel like that is what she would want. Rest in Peace Brenda.

“ As I think back on my childhood, I remember Aunt Brenda being so funny, joyful and energetic. She was always the one who would be there for you during hard times. My heart hurts hearing the news of her passing. I know she is in a better place with Mama, Chrissy and Granny, but I am taking hope in the fact that God has much better plans than I. I pray for God's comfort, peace and strength to be poured over Chris, Faye and Pauline. Please know you all are in my thoughts and prayers during this time of grief. She will be greatly missed, but I will take peace in knowing we will meet again.
