“ It is with deepest sympathy that my Friend, Brenda Moody, has passed this life so suddenly, and my love and prayers go out to her husband, Dewey Moody, and her parents at this time. Brenda is no longer suffering, but is with Her Heavenly Father and the many loved ones who have gone before. She was such a special encourager when my husband, Billy Sutton, passed away two and a half years ago. I will never forget her kindness and friendship to me at that time. Rest in Peace, Dear Brenda. We will miss you so much.###imported-begin###Esther Sutton###imported-end###

“ Hi,  
I am so sorry for your loss. I was in Mrs. Moody's first grade class in 1984. I remember so much from our class. The thing I remember the most that makes me smile is that she pulled my teeth! I bet I lost 3 that year in our classroom. She was a wonderful teacher and will be greatly missed.

“ Brenda was a person and friend that I could always depend upon to lift me up in her prayers. Her smile lit up the room and her heart was full of love for everyone. Mr. and Mrs. Brownlee and family, my prayers and love are with you at this time of deepest grief, but as Brenda always said "that God will give us the peace in our hearts in all things." My deepest sympathy and love at this time when there are no words that will give you comfort except knowing that God will give us the strength to endure and peace to sustain us in all things.##imported-begin##Dianne Shelton Powell##imported-end##

“ Dear Mr. Moody,

*I am so sorry about your loss. I did not know Brenda well, but what I knew she was an awesome person. Over 20 years ago I was shopping at the Kroger in Snellville one Saturday afternoon and got caught in a rain downpour. Brenda offered to stand on the sidewalk with Amanda under the shelter of the store while I went and got my car so my little girl would not get wet, and she did not even know us. That was so kind of her.*

*Please accept my sincere sympathy.*
