“ *I miss her so much. She was my very best friend. She was the sweetest and most loving person. She had a beautiful smile that lit up the room. I think of her every single day. If only she could have known how amazing she was. It has been 9 years ago that I lost her and it seem like yesterday. I love you Momma.*

“ Our condolences to your family. We went to school with Helen. Helen was my best friend during the elementary school years. We were the closest, silliest little girls anyone has ever seen. We had so much fun, and I have wonderful memories of that time in my life. God's blessings and comfort on your family during the days ahead. “ Sherri, I know you don't remember me but Donnie does. I am so very sorry to hear of your Mom's passing and just wanted to let you know. You were one of the kindest girls that I had met when I worked for the county and I will never forget you for that reason. Hope Donnie is still sweet to you & tell him Linda said to hold you a little tighter at this sad time.###imported-begin###Linda Leazer###imported-end##
