“ I first met Brenda through her daughter, Sherry, and she welcomed me into her family and I considered her like a second "mom". Although she worked hard all her life, she didn't have a lot of material riches, but she will be rewarded for all the care she gave her own mother while she was ill and the love she had for her family. I will miss her and I hope she is having a cup of coffee with my mom in heaven today.##imported-begin##Kathy Sumner##imported-end##
