“ My mind and heart goes back to the early 1970's when Brenda
strummed her guitar and let the youth of Cov. FUMChurch in song.
As the young youth minister her weekly addition was of great value.
To all of her family you have my deepest sympathy. I know what a
tragedy this is and yet I know Brenda would have us uplift the good
and move on with the positive life she lived.

“ Dear Sanford,

I was so sorry to learn of Brenda's death. Yesterday at church, the minister, David Allen-Grady, let mother and me know the tragic news. Even though I didn't know Brenda, we feel a special bond to you and your family. After all, you were a part of ours at one time and will always be in our heart.

We really appreciated all the outpouring of love from you when my Dad died last year. That is the natural course of life to lose an elderly parent, but I cannot imagine your anguish having to endure losing a child.

May God be with you and your family at this difficult time.

Lovingly,

“ *I am so saddened by Brenda's death. I first met Brenda when she was my counselor at Camp Glisson. I was more than a handful, but she loved me anyway. Later, I was blessed to work alongside her at Camp Glisson on the staff. What a lovely lady, who truly loved God and loved others. My prayers are with all of her family.##imported-begin##Becky White##imported-end##*
