

Brent Elvin Hinkle

May 1, 1951 - March 23, 2024

Brent Elvin Hinkle passed away surrounded by family and friends on Saturday, March 23, 2024.

Brent was born in Dunkirk, IN, on May 1, 1951, and was raised with his sister, Belinda, for much of his childhood in the area. His grandfather built the farmhouse where they lived for a few of his early years. He was Class President at Delta High School for three of the four years he was there and then attended college at Purdue University where he studied Computer Science. After graduating in 1973, he became a Computer Programmer at Ball Corporation before moving to Atlanta in 1975. After his move, he worked at Fulton Federal Savings & Loan, Insurance Systems of America (ISA), MSA, then SSI. Brent described his work with SSI as “magical” and the best job ever. It was fun and challenging and had great people. Brent met his future wife, Elaine Bailey, at ISA and they worked together for many years. They were married in 1979, and soon welcomed two baby girls into this world, Sarah and Rachel. He worked at Allied, Sungard and FIS for the remainder of his career and really loved his work and work family. Brent was a faithful husband, loving father, kind and playful papa and loyal friend. He loved God, charity, movies, music, history, trivia, sporting clays, all things American and was an avid Republican.

Brent is survived by his wife, Rachel Elaine Hinkle; daughter and son-in-law

Sarah & Christopher McBrayer; daughter and son-in-law Rachel & Jonathan Horton; granddaughters Kensi & Alexa Horton; sister and brother-in-law Belinda & Darrell Murphy; many other extended family members and friends whom he loved dearly. He is preceded in death by his father Elvin Murl Hinkle and mother Joanne Holcroft-Hinkle.

“ We are so very sorry to hear about Brent's passing. We have so many special, happy memories of time spent with him and you, Elaine: skiing in NC and Colorado, keeping Sarah while y'all went to the hospital to give birth to Rachel, attending Sarah and Rachel's weddings, Brent and I "competing" to see who could remember the most obscure songs and artists from the 60's. David has many good memories of working with both of you. He was such a great guy! I know you and Sarah and Rachel and their families have so many happy memories, but also so much sadness at this time. You all are in our hearts and prayers. Christy and David
