

## Brian William Baker

August 25, 1980 - July 26, 2018

Brian William Baker

Brian William Baker, 37, of Loganville, GA passed away on July 26, 2018. A celebration of his life will be held on Saturday, August 4, 2018 at 11:00am at Midtown Church, 426 Deering Rd., Atlanta, GA 30309. He is survived by his parents, Billy and Tricia Baker, sister Jennifer Baker Hannah, nephew Brody Hannah, grandfather Bill Berry, aunts, uncles and cousins.

Brian was a quarterback and baseball player at LHS, and was recruited by Austin Peay State University, where he was a team captain and quarterback all four years and holds over a dozen offensive football records. After graduation, he played Arena football in many parts of the country. He loved spending time in nature and communing with his Creator, helping people, cooking, fishing, camping, coaching his nephew in little league, and spending time with his family and friends. His personality was even bigger than him, and his smile was infectious. Brian lived simply and loved deeply, and never missed an opportunity to laugh.

In lieu of flowers, donations may be made to West Walton Football and Cheerleading Booster Scholarship Fund to give every child an opportunity to enjoy the game he loved. The Brian Baker Scholarship Fund is being set up to celebrate his memory. Please send donations payable to: WWCCFB, P.O. Box

72, Jersey, GA 30018

“ *We were so shocked and saddened to hear of Brian's passing. We have so many fond football memories with your family and ours. One of the first times Brian walked in my house I will never forget him putting his elbow on the range hood that no one else even came close to! Will never forget the gentle giant. Loved him like one of my own. I also remember all the guys coming to the house after the tornado hit APSU in their Freshman year. I loved every minute I could host them and cook for them. He was such a good friend and roommate to Dustin. Have to laugh with I think of them living in the "whites" (apartments right behind the football office). Don't think they were ever the same. .*

*Our prayers are with you all.*

“ To know Brian was to love Brian. Our love and prayers are with you all as you suffer this terrible loss. Brian was a part of our family and such a good friend in every way. He would go to the ends of the earth for you if that was needed. I will miss him and have so many fond memories.

*And what a perfect idea for in lieu of flowers! The donation in his memory to the youth sports here is the perfect reflection of Brian's heart and a great way to honor him.*

We have known Brian almost his entire life and have tremendous respect for all he accomplished both on and off the field. His out going personality and good nature made him a pleasure to be around. “ Very saddened to read and hear about Brian. I played with Brian when he was a freshman and I was a senior. When these things happen it makes you remember how connected you were to all your teammates. It has truly given me a heavy heart this morning. I will always remember Brian for his big arm, big stature and big smile.

“ *I haven't known Brian very long but I am thankful for the time I have. Brian came into my son Hunter's life last year as his football coach. He was always at every practice with a big smile on his face. He would always cut up with the boys but also teaching them how to become better football players. He truly was wonderful guy! We will miss seeing him on the fields! He will never be forgotten! Praying for the family!*
