Crying as I watch this, such a great tribute to a great man and friend, we are all heart broken.

David and I were saddened and shocked to hear that Bruce suddenly died. We are neighbors from way on the other side who met and visited over the past ten years. Bruce shared California poppy and zinnia seed as well as an angel trumpet cutting that all thrive in our garden. We will so miss seeing him and our little talks. “ Share a memoy of Bruce! I could fill a book. A wonderful man, a great human and a friend that I can't expess in words. I treasure Bruce in my mind and in my heart. I had the great honor to call this man my brother. Indeed he was, I spent nearly everyday for well over10 years, hiking Stone Mountain(Hiking 10+miles a day), That big man with a walking stick the size of a tree limb), Music concerts, visting our favorite sushi bars! Talking on the phone for hours. And when ever some thing broke or needed fixing Bruce was always there. Bruce didn't drink and when we went out he was my D.D can you imanage that? We alway made it A to B,C,D (got lost along the way..no GPS) and back. It was sobering! He could wheel that Chevy!! usally took up 2 lanes.

I myself was in the hospital when Bruce passed, my family could not bear to tell me. Not a day goes bye I don't have some great memory of Bruce. The day he was born Febuary 24, is coming up! He always said , "I'll live to be a 100"! You know he will as we carry him in our hearts. The Smartest man I ever Knew! I gotta be good so I can meet him in heaven.

“ *My sincere condolences to the Krause family. Bruce was a wonderful guy! I really enjoyed working with him for 25 years at H.B. Fuller. He made my life better by knowing him. His sense of humor was incredible and made the work day a lot more fun. At the same time he worked hard and was someone you would want on your team. I was lucky to have him on my team for all of those years. Gone way too soon, but not forgotten!*

Prayers and condolences to the Krause family. Bruce always had a warm smile and kind word to share. He was a coworker and friend. I looked forward to, and enjoyed, stories of his outdoor adventures of hunting and fishing. Bruce is a friend I will miss, and will always remember.

“ I want to express my condolences to the family of Bruce. He was a dear friend and wonderful neighbor to us for many years. He was always willing to help us in any way possible and our hearts ache today from losing such a great friend and former neighbor. Friends like Bruce don't come along often in life but he was one of the best a person could ever wish for. Our thoughts and prayers go out to the family and may God keep you in his loving hands. Rest in Peace my dear friend. Gonna miss you.

My thoughts and prayers are with the family and to the many friends he had among his neighbors, including those that would routinely get a smile and a wave as they walked or drove by, and those neighbors that spent time talking and listening, including the countless cats he fed and loved on not the least of these, Mr. Chunky, his favorite.

We all are saddened and blessed to have shared in Bruce's life.

Rest in peace Bruce. You will be missed!
