“ Jackie, my heartfelt sympathy to you and family. Bruce was a good friend in high school and I enjoyed communicating with him over the last several years. I can't believe he was taken so quickly. He will be remembered for all the good times we had together. We had discussed the two of you coming to visit here in Banner Elk and how I wish that could have happened. My thoughts and prayers are with you and I just wanted to let you know how much I appreciated his friendship. May God bless you.

“ With deep sadness in my heart, I offer my sincere condolences to the Bruce White family. Bruce and I have been great friends for almost 65 years, and he never let me forget that he could run faster than me in a 100 yd. dash. Even though I beat him in high school. It was a special joke between friends. I and many of your classmates will sorely miss you. God bless you. May your memory be eternal.
