“ *Please know that you have our deepest sympathy and that we offer condolences. Bruce was one of my closest neighbors when we were in high school. We did lots together, from rebuilding a car to playing sports. A great neighborhood! Lots of good memories, perhaps none better than making gallons and gallons of cider for a fall celebration, of football and being fall. I am sorry to hear of his passing. Our prayers are with the family.##imported-begin##David Merrell##imported-end##*

“ What a positive upbeat testimony Mr. Bachtel lived each and every day. Where ever he found himself in life he always give God the glory and would let you know that everything was going to work out thru Christ which strengthened him. As I shared with Bryan, I had completely forgotten that Bruce would ever die.. with his positive approach to God and life I had come to see him as truly "invincible." I regret that sickness kept me from being with the family but our prayers are with the whole family.##imported-begin##Mark, Julee, McKinley & Elijah Clark##imported-end##

“ Whenever I think of Bruce (always "Mr. Bachtel" to me) I think of a very gentle man with a great smile and wonderful laugh who always seemed to be having a good time and enjoying life. He loved the Lord with all his heart and was pleased to share that. His family meant the world to him and I pray for comfort for them all. There is sadness at our loss, but great joy in knowing he is with God and waiting for his next great "family reunion."###imported-begin##Tamara Wettermann###imported-end##

“ Mimi, my thoughts and prayers are with you and your family. When I think of Bruce, it always brings a smile to my face. He was and still is a bright light in our lives, a very caring and loving friend, father, grandfather and husband. Mimi, he and your family have been a steady force for me and I'm so happy the Lord put you all in my life. Bruce will be greatly missed by us all, but his joy of living life to the fullest and bringing everyone else along with him in the process will keep his spirit alive in us. He'll keep us smiling for a long time to come! Blessings to you all.###imported-begin##Jane Miller###imported-end##
