“ *My condolences to the family of "Pops" Copeland. It seems that I have known him all of my life. We went to the same church and also worked for the same company, Western Electric. I first met him in the early '50's right after Perkerson Baptist Church was formed. He will be missed.*

“ We will miss Uncle Bry, but we know he's gone on to a better place. He, Aunt Blanche, and my parents took our 5 kids camping on several occasions and they always loved being with him. He was a wonderful person and I know the Lord has a special place in Heaven for him. Love, Dan and Cheryl Tyree

“ I remember his prideful story of his going to Washington - he shared at the Copeland Reunion - to be honored as a service man for his country. He would smile his big beautiful smile with pride in knowing he received this attention from his country Love this man and his family. He definitely had the Copeland attributes not only in his looks but devotion to his family and God. He was such a blessing to us all. Aunt Blanche held true to Uncle Bry and was never ceasing in her love and tender care for him. He will be truly missed on this earth but heaven awaits us all. May God bless his sons and other family members who have peace in knowing he was such a blessing in all the lives he touched.
