Buel F. Warden, age 87, a loving husband, father, grandfather, great-grandfather passed on peacefully August 29, 2025, at his home in Grayson, Georgia.

Buel is survived by his wonderful wife Carol Aycock Warden; daughter Lynn Weaver; son Tom Warden and daughter-in-law Jill Warden; and his brother Mickey Warden; grandsons Corey Warden and Jake Warden. Granddaughters Lindsey Reissig and Megan Phillips; Grandson Cole Reissig; Great-granddaughter Alice Reissig; Great-grandson Henry Reissig.

Buel was in the military for eight years serving with the Army Security Agency working in military intelligence.

He worked with AT & T/Lucent Technologies for thirty years, retiring in 1997.

After retirement, he worked with the U.S. Department of Commerce and Labor in preparation for the 2000 enumeration by the Census Bureau.

Buel experienced great pleasure while he and his wife Carol worked with the World Health Organization, and the Lawrenceville Church of God, in sponsoring a family from Albania, who was rescued from the Kosovo and Serbia war. The family included Mom, Dad, and six young children; he was proud to become friends with. He particularly enjoyed helping the family adjust to the American way of life. Most of the children are married, have children and jobs that provide good income to support their family.

Buel had a passion for history and family research, and during a span of many years, he and son Tom found numerous unknown cousins living from coast to

coast. A significant aspect of his family research was the finding of living family members, and in acquiring new friends with similar interests. He wrote several family biographies and a shared family autobiography.

At Buel's request there will be no memorial service or funeral. His wish is that all his friends and loved ones remember him when he was in good health. In place of flowers, we invite you to honor Buel's spirit by sharing God's love through an act of kindness or generosity.
