

Burton Marshall Acree

March 1, 1954 - November 4, 2024

ACREE- It saddens our family to announce the sudden passing of Burton Marshall Acree III. Burt was born in Atlanta, a son of Mary Jean Arnold and the late Burton Marshall Acree Jr. He graduated from Central Gwinnett-Lawrenceville High School, class of '72, and started his career. Burt had a couple of corporate jobs throughout his life, finally retiring in February of 2020 from AT&T. His entrepreneurial spirit also led him to create several businesses along the way. While hard work was important to Burt, the reason for its importance was to be able to play hard. He excelled in business, but where Burt really shined was in his passions - travel, diving, riding motorcycles, fast cars, and woodworking! Through his numerous adventures, his happy personality, 'never-met-a stranger' outlook, and knack for a story and a laugh made him life-long friends all around the world. He was always there to lend a hand, an ear, or offer a hug. Although Burt will be missed insanely by his family, it brings us great joy to know he was loved by so many, and peace knowing those friends share in our grief. The family Burt loved and left behind are his son, Joshua B. Acree and husband Chad Sorrow, East Point; mother, Mary Jean Arnold, Dacula; siblings, Brenda and husband Bob Brown, Lawrenceville, and Bruce and wife Angie Acree, Danielsville; and girlfriend and partner in crime, Dori Powell, Monroe. “ Oh No My dear friend Burt, I just came across your funeral announcement. I suppose on some level I knew you had passed away because I hadn't gotten a call or a text from you in awhile. I would think about you but was busy with my move, new relationship, new home... You were such a great guy, and a good friend some of my best memories were hanging out at your house on the porch swing, watching the hummingbirds with Bo and having existential conversations about what made life wonderful and blessed. I feel the loss of your magnificent presence and I look forward to meeting you again.
