Worked with Cain at Lowe's . I feel like during that time I knew his family, his brother and his friend that passed away just from how passionately he spoke of you all. It broke my heart to learn of his passing. He was a stand up guy and in a league of his own, He was really there for me, unsolicited, when I went through something and he stood up for right from wrong. His heart saw no color only morals! I will never forget that. He was a very amazing one of a kind person! God has another Angel! I offer my comfort to all his family. To be Absent from the body is to be Present with the Lord! Sleep Well Cain. Your work here is Done 🙏
