“ *My sweet grandson, so sweet, so brave, so strong. I rejoice that you are with your mummy and big brother but I miss your hugs, your kisses and 'our time' together. I thank God for our time at the beach the week before you left us and I cannot pick up my ipad without smiling at the fun we had together using it. Watch over us little boy and we will all be together again.###imported-begin##Jan Pittman###imported-end##*

“ Thomas, my friend we dont ever know what God has planned for us. We never understand why we are put through such heartache, but he does have a plan... One day we will find out why. Cherish the memories and precious time you did have with him and hold those close. You are such a great dad and he was lucky to have you. you did all you could and never forget that.
