“ *I have been searching for years. She was my childhood best friend, and last time we talked was in high school. I was Dawn Holland back then. I know it's been 4 years, but my heart goes to you all. I am at a loss for words finding this.*

My best memories were sitting in her room, in Decatur, and gabbing. Seeing her horse ribbons and always saying we'd live on a farm. I now live on a horse farm, and have been so excited to tell her...

We would giggle about our crushes. DC and ZO were their initials. To see how she grew into a beautiful soul, with beautiful children, I knew she was meant for greatness.

I just wish I'd found her sooner.

“ *Callie, I remember her coming to spend the weekends with her dad and stepmother at the farm, and how you enjoyed spending time with your folks. You enjoyed the horses and went to some horse shows. What fun we all had, you Lindy, Lynn, Steve and me Leigh. I miss you and love you and wish I could have been closer in your adult life. Rest In Peace!* ”
