“ *Uncle Dewey will be missed very much by his family, including me. But I have such great memories of Uncle Dewey, Aunt Vada and Dad sitting under the trees at Mom and Dad's house on 29. What great memories they brought to light to us as we sat and listened to them. I think Uncle Dewey was special because he made us feel special. He loved his family very much and great things were said today at his service to bring to light. It was one of the sweetest memorial services I have attended and brought back great memories. Thanks Uncle Dewey*

P.S. Tell Mom and Dad Hi, and my son Brian
