“ *Everyone loved Billy Roberts! Billy you attended a dance as my date in 7th grade but I'm fairly sure you just wanted to get to know my pet squirrel monkey better. Thank you for so many great memories at E.Rivers, Northside, and briefly at UGA. People who knew you well always knew they had a true friend in Billy Roberts. I just found out about your death(10/2/16)...our lives went in different directions. I always wanted to talk to you about what life had been like for you. I know your family has missed you. Thank you for friendship and golden memories! VICKI WEBB at E.Rivers & Northside*

“ Billy, I have many fond memories of our youth at Morris Brandon, Northside and UGA. The friday night football games and hellraising in your 57 chevy convertible after the games...the many fun times as fraternity brothers at UGA. It is a pleasure to call you a friend and fellow veteran and we will meet again.
