I had the grand pleasure of attending CHBC with Carl for 15 years during which time we became great friends. For several years he and I worked in the church office together. At the time, I was in my early 40's and one morning I awoke with a sharp pain in my hip. When I got to work that day, I asked Carl if he knew what it might be. He was in his 70's at the time, and he told me he knew exactly what it was. I asked, with some trepidation, "What?" He looked right at me, and with a twinkle in his eyes said, "Just the beginning!" I'm sad for us, but I am so happy for you, Bro. Carl! See you again soon! Love, DeAnne
