“ I will never forget that you gave me a smile and a big hello every time I visited you made me feel welcomed and part of your family. I never had a true father figure until I met you. You had the same birth year as my own mother and you made me feel like another daughter of yours. Thank you for being my step in father figure. I will truly miss you.

“ Hey, Dad! I sure appreciate the time we shared together and all that you have done for all of us. I know we had some head-butting (we're more alike than either of us cared to admit). I am glad we had the last few weeks of peace together. It was a healing time for both of us, even though it was a hard time physically. Godspeed on your way home, dad. I called angels in to guide you on your way. I can't wait to see you there.
