“ *My connection to Carla was two perfect wedding cakes for the receptions of my daughters. I've never tasted better cakes. More than that, Carla was a kind, funny, friendly, easy person to be with and to do business with. She made me feel like a friend. I am so saddened by her passing. I don't know any of the family except through her mention of all of you, but please know I am holding you all in my heart and breathing your names to God who loves you so. We will always remember and be thankful for Carla Stone.##imported-begin##Ann Ross##imported-end##*

“ *Billy and Family,*
We are truly sorry to learn about Carla, and want you to know that our thoughts and prayers are with you.
It has been many years since we saw her, but remember her as a very vibrant person. We became acquainted through Rachel & Joe Wiley. (I am Dora, Rachel's sister).
May God grant you strength for these days.##imported-begin##Brad & Dora Carson##imported-end##

“ *Gordon, I wish I had something to say to make you feel better. Just hang in there. Things will get better with every day that passes. I watched my wife lose her mother last year and as bad as it seemed at the time, things did get better. Just try to remember the things about your mom that made you smile. Her memory will be with you forever. Your friend, Scott Campbell##imported-begin##Scott Campbell##imported-end##*
