“ So sorry for your loss.
Carlton was a compassionate and loving cousin to me.
We grew up together when we were young. His father had passed away so the "Cooper boys" as they were called spent a lot of time at our home as he was the youngest of five boys.
May you find peace and comfort during this time of loss. Just know that your Mom and Dad are rejoicing in heaven together.

My baby brother was a joyful person. His laugh would always get attention and you could be sure there were some shenanigans going on compliments of Carlton. I love him and will miss him always. My love to all his family and friends. There is a large break in our hearts.
