“ *While looking at the notice for my aunt (Hazel Geiger) I happened to see Carlton's and only then learned of your loss. I'm so sorry. My husband died almost four years ago and it has been a big adjustment. We had 50 years before the cancer took him. You are in my thoughts and prayers. “ To the Family of Carton Farmer; Carlton was one of the nicest persons I have ever known; a true gentleman in every respect. I first met Carlton when he was involved with the Oconee County Chamber of Commerce. He was an outstanding business and community leader; Oconee County and the surrounding counties are much better places to live and work today because of Carlton's vision and leadership in the Chamber, his Church and the Lion's Club in years past.###imported-begin##Bob Marable###imported-end##
